

COMPUESTOS PARA USO GENERAL

Nuestra capacidad excelente para diseñar la perfecta combinación de propiedades y color proporciona el marco ideal para poder ofrecer una amplia gama de productos incluyendo terminados para aplicaciones arquitectónicas; sellos y empaques para puertas y ventanas y productos de consumo tales como compuestos suaves al tacto (por ejemplo, fabricamos termoplásticos súper suaves para cepillos de dientes). Nuestro equipo profesional puede satisfacer sus necesidades en PVC, TPR, TPU, TPO y TPV.

Product ID	Application	Tensile, MPa	Elongation % Break	Durometer Shore	Specific Gravity	Clear (Yes/no)
MEXCELPRENE®11 70-POE	Highly flexible engineered elastomer designed for the extrusion of seals and gaskets, especially where superior adhesion to polyolefins is required.	1200	450	75/70A	1.03	NO
MG-94-142A	Flexible Clear PVC based compound for	1250	390	57/50A	1.17	NO

	extrusion and molding application.					
MG-95-045G	Matte finish PVC extrusion compound.	2350	390	85/80A	1.36	NO
MG-4275E	General purpose extrusion compound designed for profile extrusion applications .	1685	300	80/75A	1.42	NO
MG-4285UV	UV resistant PVC compound designed for profile extrusion applications .	3000	250	97/90A	1.42	NO
MG-4680E	Flexible PVC compound designed for general purpose extrusion applications .	1600	300	81/75A	1.46	NO
MG-4785E	Flexible PVC compound designed for general purpose extrusion applications .	1500	250	90/85A	1.47	NO
MG-2170	Clear extrusion PVC	2020	375	75/70A	1.2	YES

	compound.					
MG-2184	Clear general purpose extrusion compound for profile extrusion applications .	2500	300	82/74A	1.2	YES
MG-2194	Clear UV resistant extrusion compound.	2300	345	98/93A	1.26	YES
MG-3085E	General purpose PVC compound with good low temperature properties designed for T-molding extrusion applications .	2530	350	90/85A	1.3	NO
MGM-3255	Non-toxic PVC compound designed for molding applications .	1350	450	75/70A	1.18	NO
MGM-3950-095	Clear non toxic extrusion compound using prior sanctioned FDA raw materials for food contact use.	1500	380	60/55A	1.14	YES
